Both rooms are versatile providing the perfect atmosphere for business meetings, presentations, and private intimate dinners.

Extraordinary Catering

From breakfast options and light lunches, to canapés and bowl food, we can provide you with the best suitable options for your function.

We have several catering options from two award-winning kitchens, Heliot Steak House by executive Chef Ioannis Grammenos, and Chop Chop by Four Seasons with its renowned Roast Duck - named by The Financial Times as the best in the world.

Christmas season brings the Hippodrome to life with Team Parties and Banqueting Dinners. Whether you need a 2/3 Course Meal or finger food next to a buzzing dancefloor, we can host your function in our majestic Gods Balcony overlooking the casino, or down at Lola's underground.
